K490 NC
HIGH-PERFORMANCE, ACTIVE NOISE-CANCELLING HEADPHONES

Selective hearing.
With the AKG® K490 NC headphones, you can take full advantage of our active noise-cancelling technology at an affordable price. The headphones’ light weight means a comfortable fit, no matter how long you wear them. Even portability and storage are made easy with the K490 NC’s unique 3D-Axis® folding mechanism.
